TankSure® Program Benefits

 **\$1,000 Proactive Tank Replacement Warranty**
Warranty covers up to \$1,000 toward a new tank when you need one

 **EPA Approved Testing Technology**
Good for you, your investment, and the environment

 **Annual Ultrasonic Inspection**
An annual inspection helps us get you a new tank before the old one fails – and the \$1,000

 **Tank Inspection Certificate**
Valuable transferable warranty if you sell your home

**Free for year one - Program must be renewed annually after year one to maintain warranty coverage.*
